

## **Letter of Appreciation**

Jan 6, 2004

Dear Agrawal Association of America,

Thank you for selecting me as one of the recipients of the scholarship for junior and seniors. The \$500 will be extremely useful towards my college education.

I didn't even know the AAA existed until this scholarship. It makes me extremely proud we are keeping our Indian and Agrawal heritage alive. You've really done a lot!

Again, thank you for selecting me! May you accomplish many goals this year!

Sincerely,

Ruchika Agrawal
