

May 2022 Newsletter

Dear Agrawal Association of America - Houston Members,

Greetings of the season and hoping you and your family are healthy and safe.

We hope you joined us at our picnic at George Bush Park. The Pani Puris were delicious and games were a lot of fun. There were quite a few new members and we hope you made some new friends too. It had been two years since we had our last picnic. COVID had put a pause to our get together, but could not dampen our community spirit. We had 300+ members join us, and it has been the highest ever turnover.

This year is also our association's 25th year anniversary. So stay tuned for some more festivities in the year.

All of the festivities require your participation and support. You can support the various activities in multiple ways:

- Please sign up for association membership at our website Agrawalamerica.com.
- Please consider volunteering for various event organizing/support activities.
- You can also support us by your financial sponsorship. Details are on our [website](#).

We also thank you for your excellent feedback and encouragement of the last newsletter, and hope you enjoy this one too. As usual, please also send us feedback and suggestions for the newsletter.

Thanks

Fun Fact

Did you know that Raja Agrasen, who was the founder of all Agrawals, was 35th generation descendant of Rama? He was a Sooryavanshi. He had also fought in Mahabharat war from the side of Pandavas!!!
So now all of can trace our lineage to Lord Rama!!

It is also believed (but there are differing thoughts on this) that he was Uncle "Mama" of Sri Krishna. He was imprisoned along with his sister Devaki and Vasudeva by his son Kansa!! Now that is a bit of history!!
