Dear Members of Agrawal Association of America,

The most difficult task undertaken by BAPS Care International, of the rehabilitation after the Gujarat 2001 earthquake has come to a close.

We are pleased to advise that the village of Narayan Nagar (formerly known as Jiyapar) Ta.: Nakhatrana, Dist.: Kachchh, have now been completed and handed over to the recipients. We have pleasure to attach the following, which will give you a comprehensive feel of the work undertaken by BAPS.

- ❖ List of major donors for the infrastructure,
- ❖ Lay out plan of the village,
- ❖ Rehabilitation Report,
- ❖ Dedication Ceremony Report (05/25/2002),
- ❖ Photograph of the dedication plaque for the house(s) you sponsored.

Each house is numbered (mentioned at the top of letter). The plaque attached to the front wall of the house has the sponsor name, city and the state in the USA.

Your generosity of sponsoring a home for an affected family was not only a very kind gesture on your part, but also a very practical one, in that it provided the very basic human needs of rehabilitation after the devastating earthquake.

Sincerely,
BAPS Care International
