Dear Agrawal Association Of America,

The 2003 committee of The Hindus of Greater Houston sincerely recognizes and thanks you for your kind support this year and for your generous contribution of \$2500.00 to the good cause of our community.

This year, we celebrated three community-wide events: Ramnavami, Janamashtami, and for the first time, Diwali. These events help to promote a better understanding of the Hindu tradition both within our diverse Hindu community and throughout the greater Houston community.

We wish to invite your thoughts and comments to improve our future programs. Please contact your input via e-mail to Aruna Goel (aruna@hardymachine.com) or by phone (281-589-9748). We look forward to your continued support.

Sincerely,

Aruna Goel
